In April 1992, Brownie was inducted into the ARHA Hall of Fame, on the Hall's inaugural ballot. This is the highest honor a hound can receive from the ARHA organization. I would like to congratulate the other three hounds and the four beaglers who were also selected.

At the World Hunt, in Petersburg, Indiana, Brownie placed third in the Grand Champion Class. This gives him at least a top three finish in all of the Big Four. For the second straight year, Brownie was second in the World Hunt Grand Champion Bench Show. Also at the World Hunt, Brownie's pup –**Smith's Weedeater Rudy**, just 10 months old, placed third out of 199 open class hounds. Rudy, owned by Farrell Smith, has two second places, and two third places, needing a first to become rabbit champion. Brownie also had two other 14 month old pups at this hunt, Smith's Kentucky Mountain Sparky and Ferman's Buffalo Creek Joy. Sparky, owned by Tilford Adams, won his first round cast at the World Hunt before losing in round two.
